

LOXTON MARDI GRAS 2022

JUNIOR AMBASSADORS

YOUR ESSENTIAL INFORMATION

The objectives of the Junior Ambassador program are to:

ENABLE participation in Loxton Mardi Gras as Ambassadors by local youth aged 16 and younger.

PROVIDE local youth with an opportunity to learn and grow through fundraising and participation in a high-visibility community activity.

ENSURE inclusiveness for all members of the community, regardless of age.

RAISE funds for distribution to worthy organisations in and around the Loxton community.

As a Junior Ambassador you will be representing your sponsoring organisation.

Sponsors typically assist their Junior Ambassador, in conjunction with the other Junior Ambassadors and under the guidance of the Junior Ambassador Coordinator to arrange and conduct fundraising events and activities for Loxton Mardi Gras.

On the basis of an interview with a Mardi Gras Committee panel one Junior Ambassador will be selected as 2022 Loxton Mardi Gras Junior Ambassador. Fund raising is not a criterion used in this selection.
